This could be your wardrobe

Invigorate your storage areas with the clever elfa® system that helps you give a designated place for all your possessions. Your garments will be easy to find and retrieve, and you will revel in the feeling of quality and durability.

In an afternoon, you can create your own peaceful and exclusive dressing room.

Our gliding pant rack in white décor allows you to store your pants with style and function.

Flexibility for the changes in life

The elfa® module-based shelving system can easily be assembled and mounted on the wall. Its clever snap-in design allows you to change the storage layout whenever the situation calls for a change.

Such as the arrival of a new season.

Furnish your storage space to correlate with the rest of your home. The sleek design of elfa® décor in white gives a fresh and crisp impression.

When everything is made to fit together

The intelligent elfa® system is designed to make all parts complement each other, enhancing the overall functionality and experience. Accordingly the versatile shelves work in conjunction with the traditional elfa® wire shelves. Perhaps it is time for your existing elfa® closet to get a more refined look?

And the good news is that installation involves minimal levelling and drilling.

Do not work harder - do it smarter.

When placing the elfa® shelves side by side they share only one bracket. All the wooden fascia and gliding frame elements in the elfa® décor range are made of solid wood. elfa® décor is function and elegance in one.

Your easiest treasure hunt ever

The **elfa® décor concept** is building on the same simple principles as classic elfa® shelving. The modular system allows you to create a storage solution that is built exactly according to your needs. Cherished possessions, reflecting your history and future, deserve a home of their own.

Empower your castle with smart and functional storage accessories that help transform chaotic clutter into peaceful order. And enjoy those luxurious moments. Every day.

elfa® mesh drawers and frames in walnut stained birch are easy to assemble due to the practical snap function.

elfa® décor shelf possess exceptional strength despite its light weight.

The **bracket hook rack** has a clever construction that makes it easy to assemble to existing 42 cm shelf brackets.

The **accessory tray** gives your charms a safe home located right where you need them.

Where there is order and tranquillity, creativity can flow freely. With the elfa® décor storage system you will experience the pleasure of rediscovering your belongings over and over again.
